Focus on Equality and Diversity

Cheshire West and Chester's Skills and Employment team is committed to equal opportunities and promoting ethnic and cultural diversity.

Equal and Diverse learning includes:

- Improving accessibility to learning
- Providing information to allow effective choice
- Providing adaptive equipment and additional support where needed
- Consulting learners for their views and interests
- Ensuring all of our staff are trained in equality and diversity awareness
- Learning programmes that are relevant, inclusive and reflect the whole community.

If you would like a copy of the Equality and Diversity policy or would like to discuss the contents of the policy, please contact.
