

Cheshire West & Chester Council

UNLOCK YOUR POTENTIAL

Want to know how to make that perfect recipe?

Improving your maths skills can help you to work out exactly how much of each ingredient you need, helping you to make some great meals and save money on your shopping.

Multiply offers easy access to a range of free courses from improving maths for work and everyday life, up to gaining a Level 2 qualification in Maths (GCSE).

To be eligible you need to be aged 19+, live in the Cheshire West and Chester area and not already have a Level 2 or GCSE Maths qualification at grade 4 or C.
