

Cheshire West & Chester Council

# UNLOCK YOUR POTENTIAL

## Struggling with the cost of living?

Improving your maths skills can help you budget for your bills and weekly shopping.

Multiply offers easy access to a range of free courses from improving maths for work and everyday life, up to gaining a Level 2 qualification in Maths (GCSE).

To be eligible you need to be aged 19+, live in the Cheshire West and Chester area and not already have a Level 2 or GCSE Maths qualification at grade 4 or C.
